1. David B. July 15<sup>th</sup> Palm Desert Flyer also, International CoDA conference held in Arizona October 21-23
2. Rachel, Community guidance if secretary is on medical marijuana should that person still serve?  
Community feedback it would be best if that person would step down for the day and try to restrain from such medications until after the meeting not before.

Should dogs that are not service dogs be allowed at meetings?

Community feedback are dogs allowed at the facility? Its really up to the group conscious communication is the key.

3. Lesa, withdrew revised agenda due to the lack of participation, the original reason was to bring up the community meetings attendance.
