Step Eight Prayer

In this moment, I see
the impossible
become not only
possible, but real.
As I forgive myself for
my shortcomings,
I am able to forgive
others, opening the way
for a true and lasting
change in my behavior.
Thank you, God.

Co-Dependents Anonymous of San Diego is a fellowship of men and women whose common purpose is to develop healthy relationships. The only requirement for membership is a desire for healthy and loving relationships. We rely on the **Twelve Steps** and **Twelve Traditions** for knowledge and wisdom. These are the principles of our program and guides to developing honest and fulfilling relationships. Through applying the steps and principles in CoDA to our daily life and relationships, both present and past, we can experience a new freedom from our self-defeating lifestyles and realize a new joy, acceptance and serenity in our lives. STEPS, TRADITIONS, CONCEPTS, AND PROMISES

Step 8: Made a list of all persons we had harmed and became willing to make amends to them all.

Tradition 8: CoDependents Anonymous should remain forever non-professional, but our service centers may employ special workers.

Service Concept 8: The CoDA Service Conference (Conference), through its group conscience decision making process, guides the Fellowship in making policy decisions and in following the Twelve Steps and Twelve Traditions. The Conference, though providing guidelines, holds no authority over the decision-making process of individual groups. The group conscience process is our decision-making process. Failure to honor this process may violate Traditions One and Four and a sanction may be imposed. The harshest sanction Conference can impose on an individual or group is to no longer recognize it as belonging to CoDA; this sanction may only be imposed on those who consistently violate the Twelve Steps and Twelve Traditions, as determined by guidelines accepted by Conference.

Promise 8: I acknowledge that I am a unique and precious creation.

New Step Studies Forming

If you are interested in working the steps through a step study using the **CoDA 12 Steps and 12 Traditions workbook**, please email or text me and I can help your group get started. And, **if you are starting or participating in a step study group already that is accepting new members, please let me know.**

CoDA Recovery Prayer

God, help me to:

Accept other people as they are,

Recognize my own feelings,

Meet my own needs,

Love myself just as I am.

Still Wanted:

Please consider advancing your recovery by being of service.

The **Community Board** still has 3 open positions:

Activities Chair- plans fun things like the camping trip, hikes, holiday party, etc;

Workshops, Seminars, and Panels Chair-plans recovery events such as Super Seminar Saturday, sponsor panels, etc;

CARRYING THE MESSAGE

We had just started our semi-daily tour of the streets of Pacific Beach when a young couple called out, “We’ve been asking every couple we meet, who look like they might be getting along with each other, how long they have been going together and what is their secret for success”. Without hesitation, I told them, “We have been together for over 40 years but it’s only because of CoDA.” They immediately responded, “What’s that?” At that comment Nancy turned around and saw that I was in conversation with the couple. So she came back to me when she heard the word “CoDA.” She next heard me say, “If it wasn’t for CoDA, we likely would have split up long ago. We were both pretty mixed up and I was handicapped by alcoholism.” With that no doubt shocking to them comment, the couple got very interested in what we had to say. So, Nancy and I both got into explaining 12-step work, AA and CoDA. We also gave them some of the tools we had learned to help us maintain a loving, happy and more or less healthy relationship. Of course, we have no idea how things turned out for the couple, but we did do our part to spread the word.
